Prior to becoming your Lee County Property Appraiser in 1980, Ken served four years in the Army with the Army Security Agency with a one year tour in Vietnam. He returned to Florida and graduated from Florida Atlantic University with a Bachelor's Degree from the College of Business and Public Administration. Ken is a long-time resident, and has lived in Florida for over 50 years.

Ken's professional background was in banking and appraising before being elected to public office. It was during his time in the private sector that he discovered how difficult it was to obtain property information from public records. Thus, one of his goals when first taking office remains the same as today. It was to develop and implement an effective system for the dissemination of information concerning the assessment process. In the ever changing world of technology, this goal remains the same. The Property Appraiser website offers the latest in technology while maintaining the lowest cost possible.

The Lee County Property Appraiser's Office is your office. Ken has and will continue to bring about positive changes for the residents of Lee County.

Since taking office in 1980, Ken has held to his philosophy of having an "open door" policy. He remains committed to exploring new and innovative methods to improve the appraisal process and maintaining the highest level of representation for you, the taxpayer, by always looking out for your best interests.

PLEASE WELCOME KEN WILKINSON !!

The Four Way Test Of the Things We Think, Say, and Do

- First, is it the truth?
- Second, is it fair to all concerned?
- Third, will it build goodwill and better friendships?
- Fourth, will it be beneficial to all concerned?

Of course it will, Now go out and live it!
