This weeks speaker: Introduction by John Gardner
John Gardner - How to Get the Most Out of Your Insurance Claim

John is President & CEO of Lee County Insurance Agency. John & his wife (Peggy) are both Florida natives and enjoy travelling the globe but they love to be right here at home in North Fort Myers most of the time. John graduated from Evangelical Christian School and then went on to receive his certification in Pre-Hospital Emergency Medicine from Edison Community College.

John has worked in many sectors including retail, customer service, medical, TV Production and non-profits, but John found his passion in the Insurance industry. It gives him an opportunity to help clients understand the complexities of insurance and let them make an educated decision about their needs.

John writes a monthly article for Senior Life Monthly Magazine regarding relevant insurance topics. He also does seminars and educational events about various insurance products; it should never be about the price, that will be the worst purchase of your life if you don't have the right agent. As an Independent agent, John does not work for any Insurance Company. He works for his clients to make sure they have the right insurance product to meet their needs.

John has been a member of our club since April of 2010. He is an active member in our club having served on our board and as President in 2015-16. John is a Multiple Paul Harris Fellow and has attended all three sessions of the Rotary Leadership Institute and has added two additional graduate sessions with RLI.

The Four Way Test Of the Things We Think, Say, and Do

- First, is it the truth?
- Second, is it fair to all concerned?
- Third, will it build goodwill and better friendships?
- Fourth, will it be beneficial to all concerned?

Of course it will, Now go out and live it!
