Aaron Forum, Owner: Shoot Center - Cape Coral Guns, Gun Legislation, and our Constitution

Aaron served for 10 years as a member of America's elite U.S. Army Special Forces. As a "Green Beret" he had the pleasure of working with some of the finest soldiers in the military and training soldiers all over the world. After his time as the Senior Engineer of Operational Detachment Alpha 1223, Aaron helped prepare new soldiers for the rigors of Special Forces Assessment and Selection. Aaron rounded off his career as a firearms instructor at the Special Forces Weapon's Maintenance and Training Facility located in Fort Bragg, North Carolina.

Aaron currently instructs active shooter intervention, pistol, and rifle courses for the renowned personal challenge company GORUCK. Having led over 100 events for GORUCK, Aaron continues to contribute to the fight here at home.

Aaron is also an NRA certified Law Enforcement Pistol Instructor as well as an NRA Chief Range Safety Officer (CRSO).

"Special Forces shaped who I am today. My goal is to help others in the community be the most proficient and prepared version of themselves possible and to make our community safer through education and instruction. We owe it to them".

- Second, is it fair to all concerned?
- Third, will it build goodwill and better friendships?
- Fourth, will it be beneficial to all concerned?

Of course it will, Now go out and live it!
