William Barnes - HVAC

Your Air Conditioning System - What you Need to Know

William was born in Beloit, Wisconsin in 1965. His family moved to Fort Myers when he was two years old and at the age of seven his family settled in North Fort Myers. William married his high school sweetheart and they have one son, Zac, who graduated from N. Ft. Myers High School, making him a third-generation graduate. Zac is currently pursuing his Master's degree at the University of Central Florida.

William has 3 HVAC licenses, 2 A/C and 1 mechanical. He has been with Ellsworth's Heating and Cooling, Inc. for the past 27 years, first working in the field as an Installer, then as General Manager, and currently the President and licenses holder of the company. He truly worked his way up from the bottom rung of the company ladder, gaining insight and experience every step of the way.

William is also a partner in Jenkins Heating and Air in Jacksonville, FL. He is a founding member of FRACCA (Florida Refrigeration and Air Conditioning Contractors Association), past President of GACCA (Gulf Coast Air Conditioning Contractors Association), and sits on the Board of Adjustment and Appeals of Lee County and SWACCA (Southwest Florida Air Conditioning Contractors Association). William is also a board member of the North Ft Myers Chamber of Commerce

William became a PROUD member of our North Ft Myers Rotary June 14th!!!

The Four Way Test Of the Things We Think, Say, and Do

- First, is it the truth?
- Second, is it fair to all concerned?
- Third, will it build goodwill and better friendships?
- Fourth, will it be beneficial to all concerned?

Of course it will, Now go out and live it!
