The Isle of Palms Recovery Center relocated from Naples to Ft. Myers Beach in August of 2018. Since they use a nature based approach, the beach was felt to be an excellent fit. The center is a DCF licensed and Joint Commission accredited treatment program for substance disorders and dual diagnosis. Their mission is to successfully transition their clients to a life of recovery.

Marlene, the Executive Director, is an RN with over 30 years experience working with addictions and mental health in all program aspects. Marlene is on the Board for the Coalition of Drugfree SW FL, and is active in community events related to prevention and treatment of substance abuse.

Alex is a primary therapist focusing in substance abuse and dual diagnosis. He received a BA in Psychology and an MA in Clinical Mental Health Counseling from FGCU. Alex's relaxed, professional style helps him to develop rapport with his clients.

PLEASE WELCOME Marlene Hartnett and Alex Conrad !!!
