Arnie Eastburn - President & CEO

Water4Life Mozambique

Arnie is the energetic and enthusiastic President/CEO of the nonprofit 501-C-3, Water4Life Mozambique, established in 2014 with the mission to drill water wells. He has overseen everything from the initial purchase of drilling equipment to the day-to-day business of running a nonprofit. By the end of 2017, 57 water wells will have been drilled in the northern province of Zambezia in the country of Mozambique, Africa.

Avid photographer, videographer, and speaker, Arnie does photoshoots on location in Mozambique, often using his DJI drone to capture footage that he uses to do fund raising in churches, person to person, and online. To say that he is passionate about the people of Mozambique—and providing clean, safe water to the African country's impoverished people—would be an understatement. Just a question to him about Mozambique will elicit his broad smile and then, as he talks about the needs of the people, his smile soon turns into his signature tears of compassion and love mingling, becoming a river coursing down his cheeks.

Before his current vocation, Arnie worked as Director of Development for World Hope International. Prior to that, he was Director of Development for Global Partners, the mission arm of The Wesleyan Church denomination.

Early in his career, Arnie was a successful entrepreneur, starting and building businesses in human resource/business services industries for 30 years. In 2002, a mission trip to Mozambique, Africa dramatically changed his life's trajectory. God began to create in him a passion for missions. Since that time, Arnie has led 28 construction and teaching teams to the country of Mozambique. In addition, Arnie's international experience includes leading mission teams to 13 countries.

PLEASE WELCOME ARNIE EASTBURN !!!

- First, is it the truth?
- Second, is it fair to all concerned?
- Third, will it build goodwill and better friendships?
- Fourth, will it be beneficial to all concerned?

Of course it will, Now go out and live it!
