This weeks speaker: Introduction by John Mina

John Mina - Foot Health

John got his start in Rotary in 1971 at Nova High School in Ft. Lauderdale where he was the vice-president of the Interact Club. He studied pre-med at the University of Miami and graduated in 1977 with a BS in Chemistry, then went on to podiatry school in Philadelphia, graduating in 1981 with a degree of Doctor of Podiatric Medicine.

John joined our Rotary Club in 1982, is a multiple Paul Harris Fellow and was president in 1988.

John is a podiatrist who has been practicing here for 37 years. His areas of medical expertise include wound healing, diabetic foot care, minimal incision surgery, neuropathy, as well as the usual ingrown toenail, heel pain, hammer toes, etc.

John has diverse interests such as singing in a doo-wop group, traveling around the world participating in archaeological paleontological digs, writing science fiction, and sharing time with his 7 children and two grandchildren.

John's goal today is to inform us about foot health, relating it to general health, and helping you to prevent future problems.

PLEASE WELCOME OUR OWN JOHN MINA !!!

The Four Way Test Of the Things We Think, Say, and Do

- First, is it the truth?
- Second, is it fair to all concerned?
- Third, will it build goodwill and better friendships?
- Fourth, will it be beneficial to all concerned?

Of course it will, Now go out and live it!
