In 2000, John went on his first archaeological expedition to Mongolia. He fell in love with the country and the people and returned four more times.

Some of the highlights of his trips include discovering important artifact for the local archaeologists to help them learn about their own history, catching a world record taimen trout, fighting his way out of a flea market when accosted by a gang of thieves, and eating fresh roasted marmot.

Today, John will share some of his more interesting and amusing tales of his Mongolian adventures.

PLEASE WELCOME OUR OWN WORLD TRAVELER JOHN MINA !!!

The Four Way Test Of the Things We Think, Say, and Do

- First, is it the truth?
- Second, is it fair to all concerned?
- Third, will it build goodwill and better friendships?
- Fourth, will it be beneficial to all concerned?

Of course it will, Now go out and live it!
