This weeks speaker: Introduction by Greg Grier  
Greg Grier and Tracie Harms

### What is Bugging You

Greg moved to Southwest Florida in 1975 to join his father in the insurance business. After 6 months he did not like it so he decided to try pest control. After a short time with Orkin they said he wasn't meant to be in Pest Control. So he started the 3<sup>rd</sup> pest control company located in Cape Coral in 1976 Called Shur-Shot Pest Control.

Greg enjoys playing golf, fishing, camping and time with family. He also was President for 8 years of the SW FL Junior Golf Association and started the Nolan Henke and Patty Berg Junior Masters Golf Tournament which is a national tournament with kids coming from all over the country; proceeds from a program during tournament week go to a scholarship program which in its 1<sup>st</sup> year raised over \$20,000.

40 plus years later doing pest control and also insurance at times, Greg started Dead & Gone Pest Control in 2016 located in N. Ft. Myers. Greg was previously a member of the Cape Coral Goldcoast Rotary Club for 6 years before joining our club in March of 2016 and has successfully chaired two of our golf tournaments.

Tracie Harms, Greg's daughter joined his company this year. Tracie attended Cape Coral High School. While there she played number one golfer and won the Lee County high school tournament. Tracie has 2 children; a boy and girl. She still enjoys golf and spending time with her family.

### The Four Way Test Of the Things We Think, Say, and Do

- First, is it the truth?
- Second, is it fair to all concerned?

- Fourth, will it be beneficial to all concerned?

**Of course it will, Now go out and live it!**
