This weeks speaker: Introduction by Greg Grier

Dr Shanna Johnston - Chief Human Resources Officer

School District of Lee County

Shanna serves as the Chief Human Resources Officer for the School District of Lee County, leading a team that supports over 100 schools, 13,000 employees, and 100,000 students.

Over the past 30 years, Shanna has served as a teacher, assistant principal, principal, federal program officer, executive director of school development and human resources (principal supervisor). While overseeing school principals, she led a team to diminish the number of failing schools from 23 to 0 with an equitable approach to serving children.

As a proud advocate for public education, Shanna holds a PhD in organizational leadership and a master's degree in education leadership. With all of that said, kids do not care about titles, they just want to know you care! No matter what role she has been in, her mission is always to serve children. They always come first.

Shanna and her family moved to Cape Coral in 1980. She and her two daughters graduated from North Fort Myers High School...different decades of course. Her two daughters, son n law, and grandson are her pride and joy. Nothing is more important than family to her and she enjoys spending lots of time with them.

Shanna will share her insights and inspirations on how we can work together as a community to address one of the most pressing challenges in education: teacher recruitment and retention.

PLEASE WELCOME OUR OWN DR SHANNA JOHNSTON !!!

<— Always a great day when we welcome in a new Rotarian. On March 13, Shanna Johnston was inducted by Norm Jones (left) along with Dwight Sedgwick, her sponsor.

The Four Way Test Of the Things We Think, Say, and Do

- First, is it the truth?
- Second, is it fair to all concerned?
- Third, will it build goodwill and better friendships?
- Fourth, will it be beneficial to all concerned?

Of course it will, Now go out and live it!
