This weeks speaker: Introduction by David Rice

David Rice

Trip to Turkey

David has been a member of our club for over 15 years, has been an active participant and board member, is a multiple Paul Harris Fellow, was our Rotarian of the Year in 2007, and is about to become our first member to serve three terms as our President when he takes over in July of this year.

David will be discussing his trip to Turkey in December of 2024. Having visited Greece earlier in that year, David felt compelled to see the other side of the Aegean Sea. With this he wanted to see the ancient site of Troy and Istanbul, Turkey, in particular the narrowest point of the Bosphorus Strait where it is said the Persian King Darius I is believed to have built his floating bridge of boats used to invade Greece. David also discovered on this trip, a rich history of ancient times visiting Greek, Roman, biblical, and Ottoman Empire sites that would make it a very memorable trip of a lifetime.

PLEASE WELCOME OUR OWN DAVID RICE !!!

The Four Way Test Of the Things We Think, Say, and Do

- First, is it the truth?
- Second, is it fair to all concerned?
- Third, will it build goodwill and better friendships?
- Fourth, will it be beneficial to all concerned?

Of course it will, Now go out and live it!
