Scott is with the EMS (Emergency Medical Services) operations with Lee County Public Safety. He has been with Lee County EMS since 2019 and previously has worked in emergency medicine for over 30 years. Scott has spent most of his career educating the public in Sudden Cardiac Arrest: prevention, recognition, and intervention.

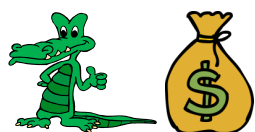

EMS started with just a handful of employees in the 1970s when the county assumed the responsibility of EMS delivery; they now have more than 300 employees operating more than 40 stations across the county.

They operate 31 24-hour ALS (Advanced Life Support) ambulances, 4 12-hour BLS (Basic Life Support) ambulances, 8 ALS Peak Load ambulances, and three ALS non-transport locations. Each vehicle is a rolling hotspot Sierra Wireless technology, with Hexagon Computer Aided Dispatch, Automated Vehicle Locators, and wireless patient care reporting. Ambulances are based from fixed stations and move to cover adjacent communities when those service areas need help.

Most of their providers work 24/48 schedules. They do have a variety of 12-hour assignments for peak load and air medical assignments.

Scott lives in Estero with his wife and daughter who is in college.

PLEASE WELCOME CAPT. B. SCOTT ROY !!!

The Four Way Test Of the Things We Think, Say, and Do

- First, is it the truth?
- Second, is it fair to all concerned?
- Third, will it build goodwill and better friendships?
- Fourth, will it be beneficial to all concerned?

Of course it will, Now go out and live it!
