This weeks speaker: Introduction by Josh Wurtsbaugh

Steven and Fran Marsino

EHL Fragile X Foundation

Both Steve and Fran were born and raised in Canton, Ohio. Fran worked as a CPA and Steve owned a fourth generation business, selling bingo supplies, Halloween costumes, and Novelties.

Their daughter Stephanie, her husband, Jason, and their grandson Ethan live in Clearwater. In 2008, Steve sold his business and he and Fran moved to Cape Coral.

In March of 2017, after their grandson Ethan was diagnosed with Fragile X syndrome, they started the EHL Fragile X Foundation, Inc. is a 501(c) (3) foundation. Their hope was to create a platform to inform and educate families about Fragile X syndrome and its associated disorders, to support families going through the uncertainty of a Fragile X diagnosis, to foster understanding and inclusion in the community, and to support research for a cure for Fragile X.

Their Foundation is holding its 9th annual Touch a Truck event on March 28 in Cape Coral. It is a family-friendly free event where Kids (and kids at heart!) can explore, climb on, honk horns, and meet the heroes who operate big trucks, emergency vehicles, construction equipment, and more.

PLEASE WELCOME STEVE AND FRAN MARSINO !!

The Four Way Test Of the Things We Think, Say, and Do

- First, is it the truth?
- Second, is it fair to all concerned?
- Third, will it build goodwill and better friendships?
- Fourth, will it be beneficial to all concerned?

Of course it will, Now go out and live it!
