Debbie, along with Andrew Pierre, Specialist, College and Careers - North Fort Myers High School, and from the School District of Lee County: Todd Everly, Senior Director, Technical Colleges and John Roszell, Director, Technical Colleges are with us today as we begin a new page with our scholarship program at North Fort Myers High School.

This year we decided to make a change in our college scholarship program and redirect \$2,000 toward the Technical School & Public Service Programs available to students in Lee County. Our college scholarship program has been a huge success but our board felt we were missing out helping a significant portion of our students who felt they were better suited to enhance their education in one of the much needed technical or public service vocations - college is not for everyone.

Our plan is to provide four \$500 scholarships to the Fort Myers and/or Cape Coral Technical Colleges (covering the construction trades, medical technologies, and many service industry occupations) and the Public Service Academy (covering EMT's, Police, and Firefighters). The counsellors at the Technical Colleges and Public Service Academy in conjunction with counsellors from North Fort Myers High School will select the students depending on where the need exists and the students want to go.

We are pleased to introduce our first four students to receive our scholarships: Chrisjen Gonzalez - Fort Myers Technical College, Kiara Rodriguez - Cape Coral Technical College, Gabi Sergi - Fire Academy, and Julian Tojanci - Fire Academy.

We are looking forward to this new page in our scholarship program and wish these students great success in their future endeavors.

PLEASE WELCOME OUR OWN DEBBIE DIGGS !!!
